

## Experiment with nice bakside

Number of tablets: 24

Number of pattern tablets: 8 pair

With: 12 mm

Warp: Grey, light green, dark green, red and white sewing silk 100/3

Weft: gray sewing silk 100/3

Warping:

Grey 8

Light green 8

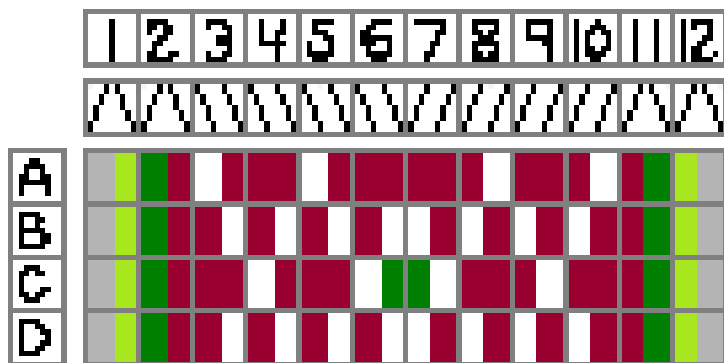

Dark green 10

White 24

Red 46

Sum 96

Threading in the tablets:

Front

Bak

One thread in each hole in all tablets.

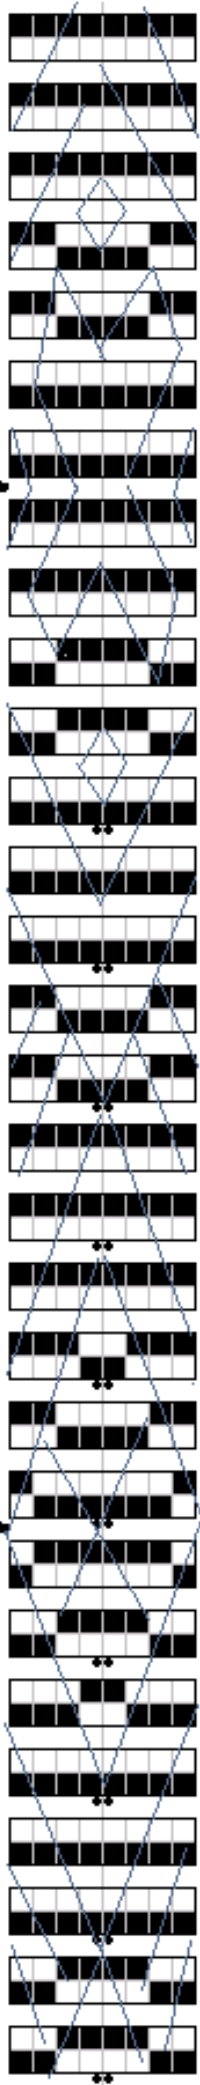

The mark ■■ shows that the white thread in the D hole in the tablets in the middle shall be placed in the upper hole away from you.

This band gets different patterns at bak and front.

The small blue lines at the turning paper only gives a hint of the pattern, they will not be exactly right.
